

**Ordinance No. 2012- 1058**

**AN ORDINANCE OF THE CITY OF FULSHEAR, TEXAS, ESTABLISHING RULES AND REGULATIONS GOVERNING THE CONSTRUCTION, ERECTION, MAINTENANCE AND USE OF SIGNS WITHIN THE CORPORATE LIMITS OF THE CITY; APPLICATION OF RULES AND REGULATIONS TO CITY'S EXTRATERRITORIAL JURISDICTION; PROVIDING A PENALTY OF AN AMOUNT NOT TO EXCEED \$500 FOR EACH DAY OF VIOLATION OF ANY PROVISION THEREOF; REPEALING ORDINANCE NO.06-939 A, AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES INCONSISTENT OR IN CONFLICT HEREWITH; PROVIDING FOR SEVERABILITY; AND CONTAINING OTHER PROVISION'S RELATING TO THE SUBJECT.**

**WHEREAS**, the City Council of the City of Fulshear, Texas (the "City") finds that the unregulated construction and erection of outdoor signs, billboards and other structures designed to make an announcement to the general public can create structural hazards and can present impediments and dangers to traffic along roadways and Right of Ways within the City and easements, and

**WHEREAS**, the City Council of the City of Fulshear finds that portable signs present special traffic hazards when towed on public streets or displayed on public rights-of-way and present dangers to the health and safety of the citizens of the City;

**WHEREAS**, the City Council of the City of Fulshear recognizes that protection of the City's visual environment will benefit both residential and commercial property owners and will promote a positive image of the City; and

**WHEREAS**, the City Council desires to promote the reasonable, orderly, and effective display of signs and to ensure that signs do not create or become hazards;

**NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FULSHEAR, TEXAS:**

**SECTION 1.0**

**PURPOSE:** This Ordinance provides uniform standards for the erection and maintenance of signs within the City Limits and ETJ. All signs in this Chapter shall be erected and maintained in accordance with these standards. The general objectives of these standards are to promote health, safety, welfare, convenience and enjoyment of the public, and in part to achieve the following:

- 1) **Safety.** To promote the safety of persons and property by providing that Signs do not:
  - a) Create a hazard due to collapse, fire, decay or abandonment;
  - b) Obstruct firefighting or police observation ability;
  - c) Create traffic hazards by confusing or distracting pedestrians or motorists; or
  - d) Become obstacles that hinder the ability of pedestrians, bicyclists or motorists to read traffic Signs.
  - e) Become obstacles that hinder free passage to pedestrians, bicyclists or motorists.
- 2) **Communications efficiency.** To promote the efficient transfer of information in Sign messages provided that:
  - a) Those Signs which provide public safety messages and information are given priorities;

- b) Businesses and services can identify themselves;
  - c) Customers and other persons can locate a business or service;
  - d) No person or group is arbitrarily denied the use of the sight lines from the public rights-of-way for communication purposes;
  - e) Persons exposed to Signs are not overwhelmed by the number of messages presented and are able to exercise freedom of choice to observe or pay no attention to such messages, according to the observer's purpose; and
  - f) The right of free speech is preserved and exercised through the use of Signs.
- 3) **Landscape quality and preservation.** To protect the public welfare and to enhance the appearance and economic value of the landscape, by providing that Signs:
- a) Do not interfere with scenic views;
  - b) Do not create a nuisance to persons using the public rights-of-way;
  - c) Do not create a nuisance to occupants of adjacent and contiguous property by their brightness, size, height, or movement;
  - d) Are not detrimental to land or property values;
  - e) Do not contribute to visual blight or clutter; and
  - f) Are similar in construction materials and style as that of the structure or tract of land to which they pertain and to neighboring structures, as well as the City at large.

## **SECTION 2.0**

**DEFINITIONS:** The following terms, when used in this Ordinance, shall have the meanings proscribed to them herein, except where the context clearly indicates a different meaning:

- 1) **Ancillary sign:** shall mean a sign which conveys information regarding a service, facility, or product subsidiary or ancillary to the main or principal business use of a property, such as telephone signs, restroom signs, credit card signs, open signs, or signs displaying the hours of operation for the business or entity.
- 2) **Destination signage:** shall mean all landscaping, monumental construction and actual message used to alert travelers that they have entered another distinct destination within the community such as a Master Planned Development or specially recognized District.
- 3) **Holiday Sign:** shall mean all signs, decorations, ornaments, structures or inflatable device which convey solely a Holiday message with no commercial message.
- 4) **Master Planned Community:** shall mean developments of more than two-hundred (200) acres which include more than five-hundred (500) residential units and provide for specialized amenities including sidewalks, park and recreational facilities, customized drainage and decorative landscaping and a unifying theme for the development.

- 5) **Medallion sign:** shall mean a two-sided panel bearing a decorative figure or relief or identifying emblem and shall communicate only information limited to the business, address, proprietor and date of establishment, which is affixed to a pole or post comprised of the same material from which the emblem is made and painted, coated or manufactured to be the same color as the emblem background color.
- 6) **Monument sign:** shall mean any sign mounted on the ground, but not elevated above the ground by any device that holds the sign off the ground and not attached to any building, including reader panels.
- 7) **Neighborhood Identification Sign:** shall mean all landscaping, monumental construction and actual message used to alert travelers that they have entered a specific neighborhood within a Master Planned Community.
- 8) **Non-commercial sign:** shall mean a sign that contains a non-commercial message only.
- 9) **Non-commercial message:** shall mean a civic, political, religious, seasonal, or personal message that is not displayed for a fee, for compensation, or for the promotion of a product, service or other business, and is located on property owned or lawfully occupied by the person displaying the message.
- 10) **Non-Profit Organization:** shall mean any organization recognized as a non-profit under the IRS Code. For the purpose of this Ordinance such designation shall also include religious organizations and school sponsored organizations, so long as documentation of affiliation is provided.
- 11) **Off-Premises Sign:** shall mean any sign, which directs attention to a business, person, activity, good, product, service or entertainment sold or offered on a site other than on the premises where such sign appears.
- 12) **Projecting Sign:** shall mean a sign, other than a wall sign, which is affixed to any building or wall, and whose leading edge extends more than two feet beyond such building or wall. A canopy or marquee shall be synonymous to a projecting sign.
- 13) **Portable sign:** shall mean any sign designed or constructed to be easily moved from one location to another, including signs mounted upon or designed to be mounted upon a trailer, wheeled carrier, or other non-motorized mobile structure. A portable sign which has its wheels removed shall still be considered a portable sign hereunder.
- 14) **Right of Way:** shall mean any street, avenue, boulevard, highway, road, thoroughfare, sidewalk, alley or any other property which is owned or controlled by a governmental entity. In the event that there is a discrepancy in the location of the Right of Way boundary the City Engineer shall be consulted to affirm said boundary.
- 15) **Sign:** shall mean any structure, part thereof, or inscription which is located upon, attached to, or painted or represented on any land, or on the outside of any building or structure, or on an awning, canopy, marquee, or similar appendage, or permanently affixed to the glass on the outside of the building or structure, and which displays or includes any numeral, letter, word, model, banner, emblem, insignia, symbol, device, monogram, heraldry, trademark, light, or

other representation used as or in the nature of an announcement, advertisement, attention arrestor, direction, warning, or designation of any person, firm, group, organization, corporation, association, place, commodity, product, service, business, establishment, profession, enterprise, industry, activity, or any combination thereof; where the word sign is used herein without further modification, the same shall be understood to embrace all regulated signs and replicas. Additionally, this term shall be applied to any permanent or semi-permanent inscription or structure that installed within or behind a window which displays or includes any numeral, letter, word, model, banner, emblem, insignia, symbol, device, monogram, heraldry, trademark, light, or other representation used as or in the nature of an announcement, advertisement, attention arrestor, direction, warning, or designation of any person, firm, group, organization, corporation, association, place, commodity, product, service, business, establishment, profession, enterprise, industry, activity, or any combination thereof.

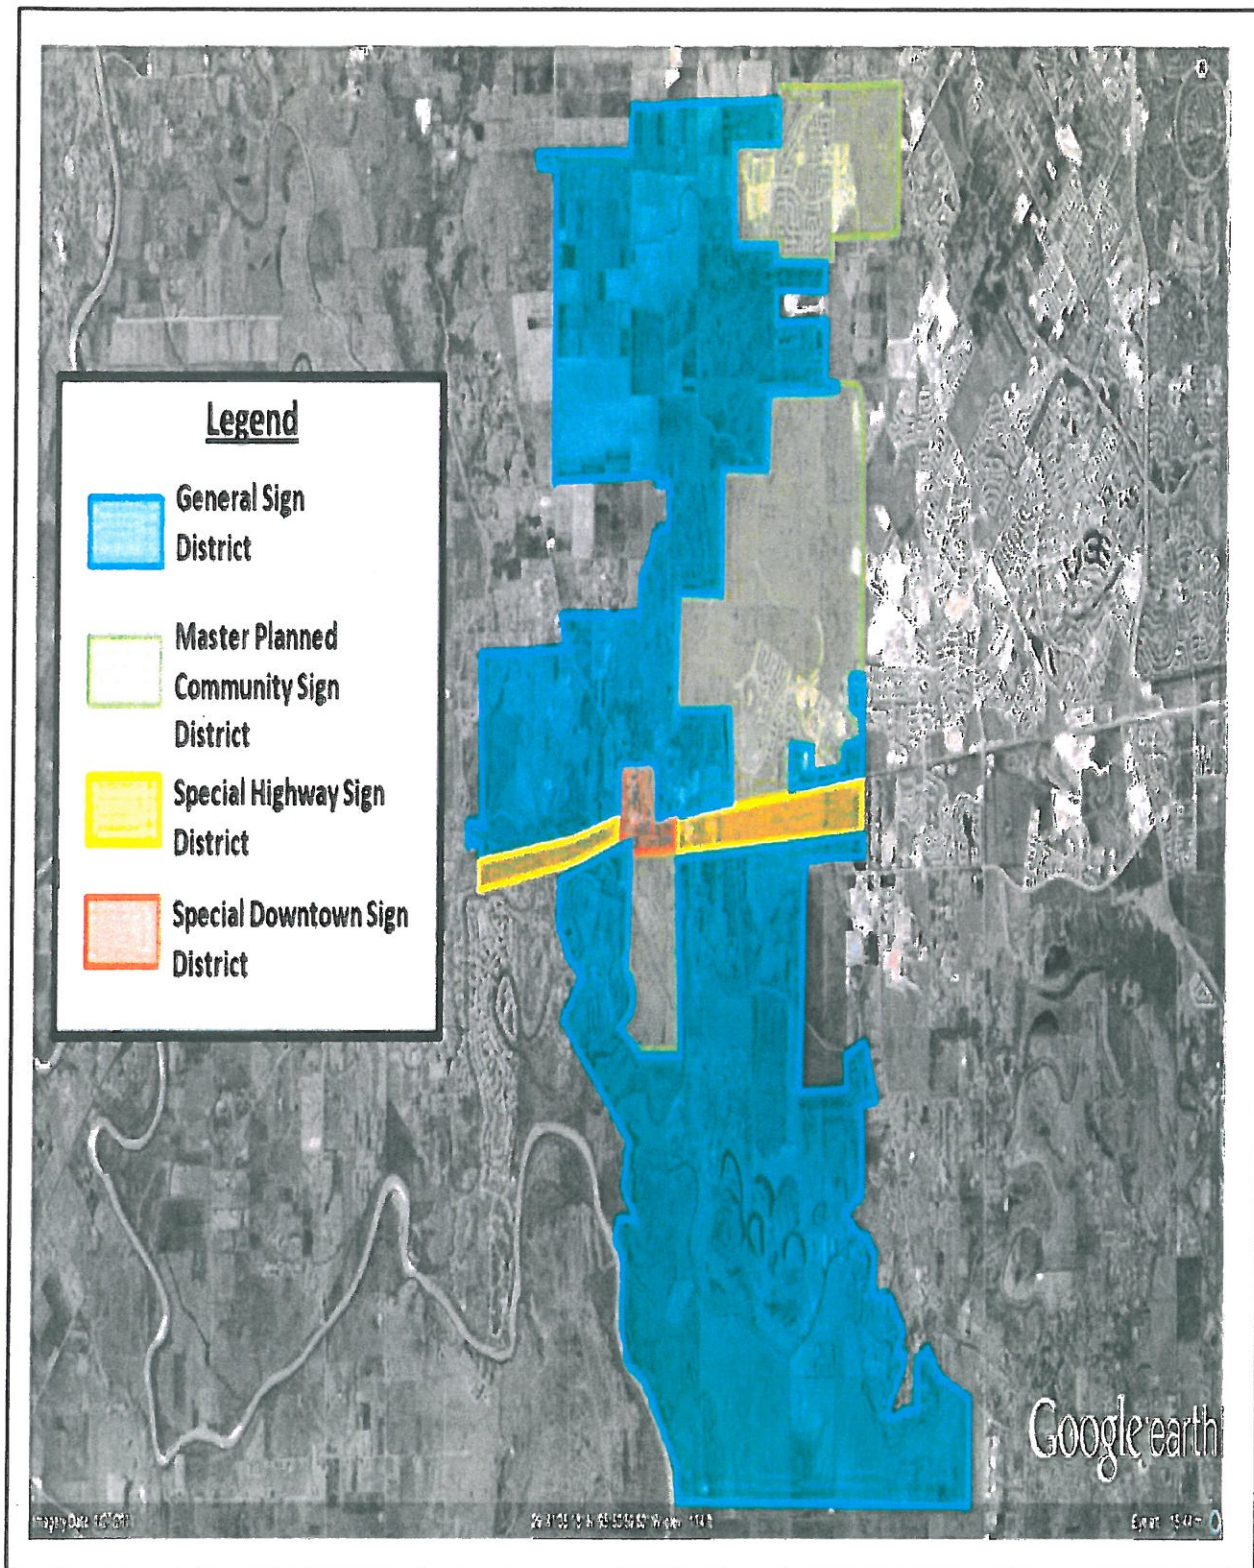

- 16) **Snipe sign:** shall mean a sign which is tacked, nailed, posted, pasted, glued, or otherwise attached to a tree, stake, fence, utility pole, or other like object, the advertising matter of which is not applicable to the present use of the premises on which the sign is located.
- 17) **Special Event Announcement Sign:** shall mean a sign designed to announce a special event such as a local festival or sporting event.
- 18) **Special Event Directional Sign:** shall mean directional signage posted and removed within the time specified herein of a special event such as a local festival or sporting event.
- 19) **Temporary sign:** shall mean any sign constructed of materials with short life expectancies. A portable sign shall not necessarily be considered a temporary sign.
- 20) **Way-finding Sign:** Signage specific to directing travelers to certain locations within the City. Such signs shall be of a specific design for its type and shall be approved on a case by case basis by the Planning Commission prior to installation unless installed in conjunction with a previously approved Master Sign Plan in association with a Master Planned Community.
- 21) **Wind device sign:** shall mean any flag, pennant, banner, streamer, balloon, inflatable device or similar-type object made of cloth, canvas, nylon, plastic, or other flexible material, with or without a frame or other supporting structure, that moves, or is intended to move or blow with the wind.

### **SECTION 3.0**

**SIGN DISTRICTS:** Recognizing that the City is an amalgam of various types of property and uses, the City has created distinct Sign Districts. The construction and design of signs may vary from District to District as allowed under this Ordinance. However, all signs within each district shall at all times be maintained to ensure compliance with all applicable federal and state statutes and regulations and with the building code, electrical code, and other applicable ordinances of the City. For the purposes of this Ordinance, the maps below detail the various Sign Districts:

#### **SECTION 4.0**

**DESIGN, CONSTRUCTION AND MAINTENANCE OF SIGNS BY DISTRICT:** All signs erected within the City and its ETJ shall adhere to the design and construction standards described below.

- 1) **General Sign District:** As noticed in the above maps, any area of the City or its ETJ not located specifically within a Special Sign District shall be located in the General Sign District. All signs within this District shall be constructed in one of two formats.
  - a) **Monument Signs:** Monument signs shall be constructed of masonry material or shall be constructed of a material complimentary of the structure to which the sign is attributed. The bottom portion of the sign shall rest flush against the ground, allowing no space between the ground and the bottom of the sign structure. The portion of the sign containing the message shall not exceed seventy-two (72) total square feet of area. The total height of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed ten feet (10'). The total width of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed twelve feet (12'). If one commercial property contains more than ten (10) different businesses and has more than

350' of road frontage, the property shall be allowed two (2) monument signs at that location, both of which must comply in all respects with this Ordinance.

Each Monument Sign shall be permitted a decorative cap which shall not be included in the total sign height restrictions recited above. Each decorative cap shall be no more than two feet (2') in height and shall extend beyond the permitted width of each such sign by no more than one foot (1 ') on each side. Any decorative cap permitted by this subsection shall be purely ornamental, and shall be constructed of construction materials identical to or similar to the construction materials used in the construction of the sign or the construction of the building located on the premises.

It shall be prohibited for Monument Signs on separate properties to be located within fifty (50) linear feet of each other. It shall be prohibited for Monument Signs on the same property to be located within one-hundred (100) linear feet of each other.

- b) Façade or Wall Signs: Façade or wall signs shall be allowed provided there is no more than one (1) such sign per street frontage for each business. Facade or wall signs may be mounted or painted upon the wall, and must be maintained in good condition at all times. The sign shall contain only information identifying the business located on the site. The sign area shall not exceed ten percent (10%) of the area of the facade or wall on which it is mounted or painted. For buildings with multiple tenants, the area for a wall sign shall be limited to ten (10) percent of the total wall space attributable to their lease. A mounted wall sign shall not project more than 12 inches from the building wall to which it is attached.
- 2) **Special Highway Sign District**: As noticed on the maps above there are two Special Highway Sign Districts within the City Limits and ETJ of Fulshear. Those two Districts are located on the south side of F. M. 1093 and east of F. M. 359 and on the north side of F. M. 1093 and west of F. M. 359 outside of the Downtown Special Sign District. All signs within this District shall be constructed in one of two formats.
- a) Monument Signs: Monument signs shall be constructed of masonry material or shall be constructed of a material complimentary of the structure to which the sign is attributed. The bottom portion of the sign shall rest flush against the ground, allowing no space between the ground and the bottom of the sign structure. The portion of the sign containing the message shall not exceed one-hundred twenty (120) total square feet of area. The total height of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed fourteen feet (14'), subject to the decorative caps defined below. The total width of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed twelve feet (12'). If one commercial property contains more than ten (10) different businesses and has more than 350' of road frontage, the property shall be allowed two (2) monument signs at that location, both of which must comply in all respects with this Ordinance. Each Monument Sign shall be permitted a decorative cap which shall not be included in the total sign height restrictions recited above.

Each decorative cap shall be no more than two feet (2') in height and shall extend beyond the permitted width of each such sign by no more than one foot (1 ') on each side. Any decorative cap permitted by this subsection shall be purely ornamental, and shall be constructed of construction materials identical to or similar to the construction materials used in the construction of the sign or the construction of the building located on the premises.

It shall be prohibited for Monument Signs on separate properties to be located within fifty (50) linear feet of each other. It shall be prohibited for Monument Signs on the same property to be located within one-hundred (100) linear feet of each other.

- c) Façade or Wall Signs: Façade or wall signs shall be allowed provided there is no more than one (1) such sign per street frontage for each business. Façade or wall signs may be mounted or painted upon the wall, and must be maintained in good condition at all times. The sign shall contain only information identifying the business located on the site. The sign area shall not exceed ten percent (10%) of the area of the facade or wall on which it is mounted or painted. For buildings with multiple tenants, the area for a wall sign shall be limited to ten (10) percent of the total wall space attributable to their lease. A mounted wall sign shall not project more than 12 inches from the building wall to which it is attached.

- 3) **Special Downtown Sign District**: As noticed on the maps above the Special Downtown Sign District is comprised of the developed portion of the original township platting for Fulshear plus the City's Town Center Municipal Management District. All signs within this District shall be constructed in one of four formats.

- a) Monument Signs: Monument signs shall be constructed of masonry material or shall be constructed of a material complimentary of the structure to which the sign is attributed. The bottom portion of the sign shall rest flush against the ground, allowing no space between the ground and the bottom of the sign structure. The portion of the sign containing the message shall not exceed seventy-two (72) total square feet of area. The total height of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed ten feet (10'). The total width of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed twelve feet (12'). If one commercial property contains more than ten (10) different businesses and has more than 350' of road frontage, the property shall be allowed two (2) monument signs at that location, both of which must comply in all respects with this Ordinance. Each Monument Sign shall be permitted a decorative cap which shall not be included in the total sign height restrictions recited above.

Each decorative cap shall be no more than two feet (2') in height and shall extend beyond the permitted width of each such sign by no more than one foot (1 ') on each side. Any decorative cap permitted by this subsection shall be purely ornamental, and shall be constructed of construction materials identical to or similar to the construction materials used in the construction of the sign or the construction of the building located on the premises.

It shall be prohibited for Monument Signs on separate properties to be located within fifty (50) linear feet of each other. It shall be prohibited for Monument Signs on the same property to be located within one-hundred (100) linear feet of each other.

- b) Façade or Wall Signs: Façade or wall signs shall be allowed provided there is no more than one (1) such sign per street frontage for each business. Façade or wall signs may be mounted or painted upon the wall, and must be maintained in good condition at all times. The sign shall contain only information identifying the business located on the site. The sign area shall not exceed ten percent (10%) of the area of the facade or wall on which it is

mounted or painted. For buildings with multiple tenants, the area for a wall sign shall be limited to ten (10) percent of the total wall space attributable to their lease. A mounted wall sign shall not project more than 12 inches from the building wall to which it is attached.

- c) Medallion Signs: Businesses located in the District shall have the option of erecting a medallion or shield sign in lieu of a Monument sign described in above. Any such sign shall not exceed nine (9) square feet of sign area, shall be mounted no more than nine (9) feet above the ground.
  - d) Projecting signs: Businesses located in such as way that preclude the installation of a Monument or Medallion Sign due to encroachment by road or right of way may install one projecting sign per building face (wall) of a business property. A projecting sign shall not extend more than four feet from the building face (wall) to which it is attached and shall not exceed eight (8) square feet in area. The distance from the bottom of the sign to the ground or sidewalk shall be a minimum of eight (8) feet. The distance from the top of the sign to the ground or sidewalk shall be a maximum of sixteen (16) feet or the top of the roof line, whichever is lower. Projecting signs shall be pinned away from the building wall at least six inches.
- 4) **Master Planned Community Sign District**: As noticed on the maps above there are several Master Planned Sign Districts within the City Limits and ETJ of Fulshear. These Districts coincide with the boundaries of currently platted Master Planned Communities. Additional Master Planned Community Districts may be added through Council action at a later date. Generally, aside from Destination Signage designating the entrances to Master Planned Communities; all signs within this District shall be constructed in one of two formats as discussed below. However, the Developer of the Master Planned Community may submit a formal Master Signage Plan as detailed below.
- a) Monument Signs: Monument signs shall be constructed to substantially appear as a solid mass, such as cylinder, block, rectangle, or square from ground level to the highest portion of the sign, otherwise commonly known as Monument Signs. The bottom portion of the sign shall rest flush against the ground, allowing no space between the ground and the bottom of the sign structure. The portion of the sign containing the message shall not exceed seventy-two (72) total square feet of area. The total height of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed ten feet (10'). The total width of the sign, including the sign structure and the portion containing the message of the sign, shall not exceed twelve feet (12'). If one commercial property contains more than ten (10) different businesses and has more than 350' of road frontage, the property shall be allowed two (2) monument signs at that location, both of which must comply in all respects with this Ordinance. Each Monument Sign shall be permitted a decorative cap which shall not be included in the total sign height restrictions recited above.

Each decorative cap shall be no more than two feet (2') in height and shall extend beyond the permitted width of each such sign by no more than one foot (1 ') on each side. Any decorative cap permitted by this subsection shall be purely ornamental, and shall be constructed of construction materials identical to or similar to the construction materials used in the construction of the sign or the construction of the building located on the premises.

It shall be prohibited for Monument Signs on separate properties to be located within fifty (50) linear feet of each other. It shall be prohibited for Monument Signs on the same property to be located within one-hundred (100) linear feet of each other.

- b) Façade or Wall Signs: Façade or wall signs shall be allowed provided there is no more than one (1) such sign per street frontage for each business. Facade or wall signs may be mounted or painted upon the wall, and must be maintained in good condition at all times. The sign shall contain only information identifying the business located on the site. The sign area shall not exceed ten percent (10%) of the area of the facade or wall on which it is mounted or painted. For buildings with multiple tenants, the area for a wall sign shall be limited to ten (10) percent of the total wall space attributable to their lease. A mounted wall sign shall not project more than 12 inches from the building wall to which it is attached.
- c) Master Signage Plan: The developer of a Master Planned community may install signage of varying style and construction if included as part of a Master Signage Plan that shall be reviewed and approved by the Planning Commission. Such a plan shall include the following elements:
  - i. An accurate artistic representation of the proposed signage including color scheme and materials for each sign type.
  - ii. A detailed listing of the number of signs by type (temporary, permanent, way-finding, etc.).
  - iii. Inclusion of traffic control and public safety signage.
  - iv. A map indicating the proposed signage's location within the development.
  - v. A developer may divide, update and modify the plan based on phased/ sectional development so long as it provides an updated plan to the Commission for review and approval no less than sixty (60) days following the approval of a final plat for a new phase or section to be developed.
  - vi. Upon submittal of the plan, the Developer shall pay the appropriately adopted fees for the total number of signs included in the plan with the understanding that fees for temporary signage shall only be paid once based on the total number of temporary signs included in the plan. The developer will be able to place and replace temporary signage without incurring additional fees so long as the total number of temporary signs does not exceed that previously approved by the Commission. In the event that the developer does not install all permanent signs accounted for in the plan it may be reimbursed those fees by the City. Further, the developer shall not pay fees for appropriately installed and approved traffic control and public safety signage.
  - vii. Destination Signage shall be exempt from fee and permit so long as such signage is located solely at the primary entrances to the development located along the primary arterial roadways within the City or ETJ. In the event that a development does not front an existing or proposed arterial roadway, such Destination Signage

shall be exempt so long as it is located at a primary entrance along a Major Thoroughfare.

- viii. Neighborhood Identification Signage shall be exempt from fee and permit so long as such signage is accounted for in the Master Sign Plan.
- ix. Destination Signage and Neighborhood Identification Signage shall both be exempt from the Right of Way placement prohibitions so long as the actual message lies outside the Right of Way and the landscaping and monumental structures do not hinder sight lines necessary for driving safety. The City may require the removal of any structure lying within the Right of Way at anytime. The City shall not be liable for costs associated with the removal and relocation of any structure located within the Right of Way.

- 5) **Maintenance:** All signs within the City shall be erected and maintained in compliance with all applicable federal and state statutes and regulations and with the building code, electrical code, and other applicable ordinances of the City. In the event of conflict between this ordinance and other statutes, regulations or ordinances, the most restrictive standard shall apply. All signs shall be kept in good repair and neat appearance. Maintenance shall be performed on all signs at reasonable intervals, and shall include replacement of defective parts, painting, repainting, and cleaning. The owner of a sign and the owner of the property upon which the sign is located shall be jointly and severally responsible for the sign's maintenance and repair. The Building Official of the City, or his designee, shall inspect all signs on a regular basis and shall require maintenance or repair of any sign deemed in violation of this Ordinance.

#### **SECTION 5.0**

**PROHIBITED SIGNS:** It shall be unlawful for any person to construct, erect, install, construct, display, maintain, reconstruct, place, locate, relocate or make use of any of the following signs within the City:

- 1) Revolving or moving signs.
